OUR PRODUCTS

Famapro

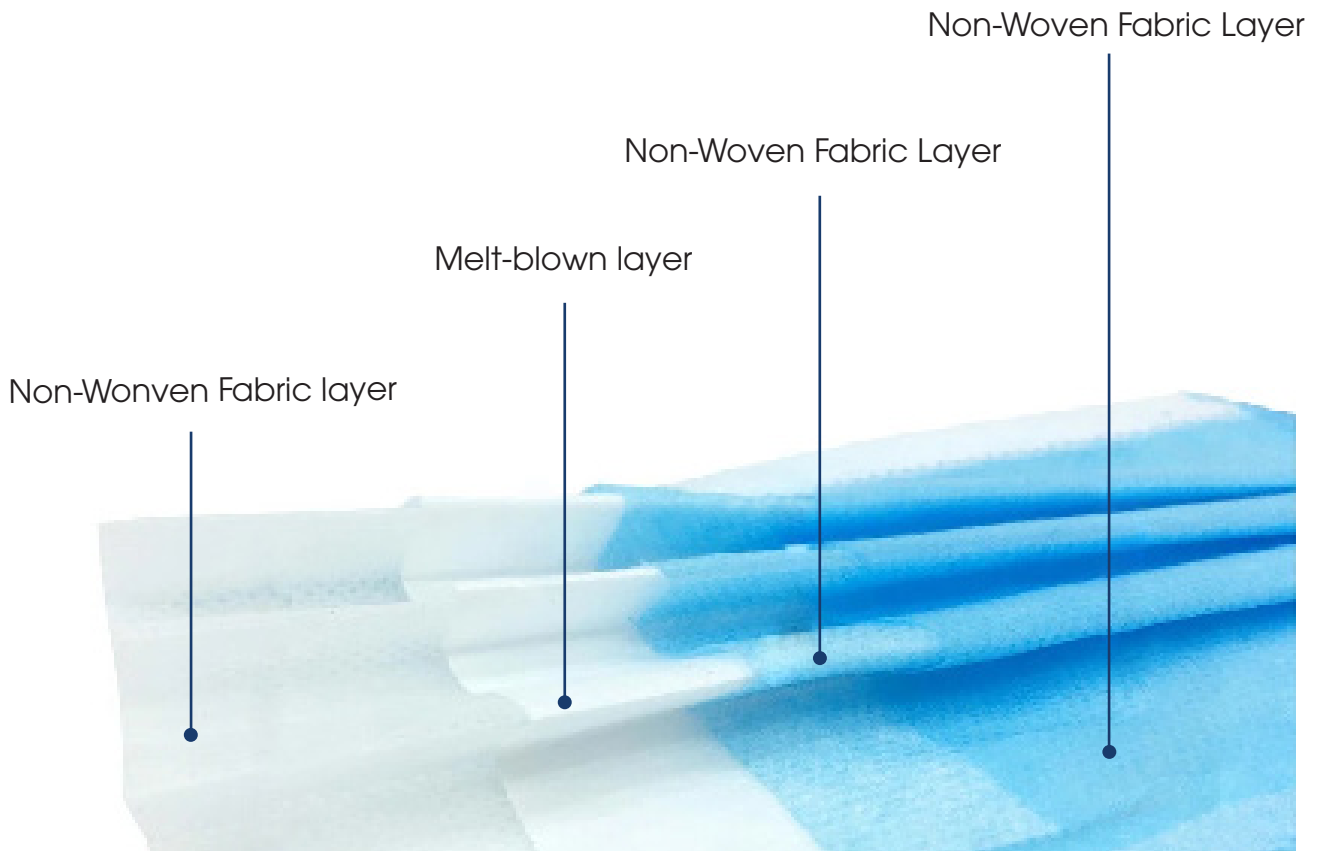

- **High quality:** Disposable masks are made of premium material, soft and comfortable, gentle to skin (BFE, VFE, PFE \geq 99%). While remaining cool and breathable to user.
- **4-ply and Breathable:** 4-layer design, with a melt-blown filtration layer can better block the small particles in air and filter it, reduce the mugginess for wearing mask.
- **Consumer Staples:** perfect personal care pack for daily use, for home and office, school and outdoors, service staff and personal needs. Best gift for family and friends.
- **Considerate design:** embedded nose clip can help fit the nose bridge, reduce the fogging on the eyeglasses, seamless blanking are made 3 fold, forming a comfortable space.
- **Elastic earloops:** high elastic earloops, pose less pressure to ears and face, avoid the uncomfortableness from long-time use.

Faceemask

- In addition, Our OEM production will help you expand your product lineups, or to introduce different concepts to your existing brand.

- Logo Brands & product standards will be produced according to your requirements. Fast production speed with strict QA, QC system, science.

Your development is our success !
